

Rutgers iJOBS Phase 2 Frequently Asked Questions

- 1) Phase 2 is now open to Rutgers, Princeton, Rowan, Stevens and NJIT grad students and postdocs.
- 2) Phase 2 applications require at least 12 hours of Phase 1 activities, a personal statement, resume/CV, unofficial transcript, permission from your PI, and a letter of recommendation from your PI or another faculty member with whom you have a long-standing relationship. Applications are open to graduate students and postdoctoral fellows. Graduate students must be in good academic standing (GPA > 3.0) and have completed the proposition qualifier to apply.
- 3) If you have not completed your Propositional Qualifying Exam but plan to do so in the Summer or Fall of 2017 then you can indicate the planned date for the exam on your application.
- 4) We have designed the iJOBS program to be as flexible as possible. Therefore, there are very few required components, and a Phase 2 trainee can participate in as many, or as few, events as they would like. If a trainee would like to obtain a certificate of completion for the iJOBS program, the following are required:
 - a) At least 12 hours of participation in Phase 1 activities
 - b) Participation in the SciPhD Leadership and Business Skills for Scientists Workshop
 - c) At least 72hr of shadowing for the year. Timing is flexible (e.g. 1 day/month, a week at a time, or other schedule)
 - d) At least one 3 credit course in the trainee's chosen career track. This may be Fall or Spring depending on class.
 - e) Individual Development Plans submitted annually and active participation in mentoring meetings
 - f) As an iJOBS alumni, give back to the program by acting as industrial partners and mentors to future trainees.
- 5) Phase 2 (like Phase 1) is very flexible and we want to work with each individual to tailor it to your needs. The requirements are only if you want to receive an iJOBS certificate at the end. If you just want to do some of the components (ie shadowing or course), that is fine.
- 6) The shadowing can be done on whatever schedule works best for you and the person we will help you identify for shadowing. For the iJOBS certificate, it is 72 hours over the course of the academic year. For example, that can be one day/month or 1 week full time per semester, or 2 weeks full time in one semester. If you do not want the iJOBS certificate, then you can do fewer hours.

- 7) The one 3 credit class will be an existing class that is offered by the various schools at Rutgers (law, business, policy etc...). You will work us to pick a class that will be the most appropriate to your interest. It could be either in the Fall or Spring semester of next year.
- 8) We will help you find a shadowing opportunity and a class that is within your area of interest. Please just let us know what you would like to do in your personal statement so that we can help you.
- 9) If you don't want to apply this year for Phase 2, you can apply next year. Phase 1 will continue in the next academic year as well if you just want to continue in that phase.
- 10) Applications will open on April 3, 2017 and close on May 5, 2017. Decisions will be announced on June 5, 2017. An interview may be requested for applicants in May.
